HAGMAN APPOINTS ROGERS AS DISTRICT DIRECTOR

Chino Hills, CA – Vice Chairman Supervisor Curt Hagman announced the appointment of Peter Rogers as the new District Director in his Fourth District Office.

Rogers has served as a Senior Field Representative for Supervisor Hagman since December 2016. Rogers will continue his role as the Fourth District Liaison with Prado Regional Park with additional responsibilities including attending county stakeholder meetings, planning events and community meetings.

“Peter is a proven leader with a wealth of experience and knowledge. His insights and experience will prove invaluable as we continue to serve the Fourth District,” Hagman stated.

Prior to starting with Supervisor Hagman, Rogers was a small business owner for 38 years. His Chino Hills based company, Peter Rogers Photography, served the advertising and public relations needs of many corporations with photo assignments throughout the United States and 24 foreign countries. Rogers has been known to be indefatigable community volunteer. He started by serving on HOA’s Board of Directors for 12 years and on the Canyon Hills Little League Board as President and Vice President for six years. Rogers has also played a very active role with the Chino Hills City government for the last 18 years. In November of 2006, Rogers was elected to the Chino Hills City Council and was selected to serve as Chino Hills Mayor by his colleagues in 2009 and 2013. He has been re-elected twice and is currently serving as the Vice Mayor.

“I am very excited to assume the role of District Director at Supervisor Hagman’s District Office in Chino Hills. Supervisor Hagman’s office generates a high volume of resident contacts seeking guidance and problem solving, facilitates meetings and attends numerous events while promoting county programs and its facilities”, commented Rogers.

“We have a great team on staff and I am looking forward to utilizing my experience and contacts to assist Supervisor Hagman with the county’s mission,” Rogers continued.

Peter and his wife Merry have lived in Chino Hills since 1986. They have two grown and successful sons and a grand-daughter on the way. Peter graduated from Cal Poly Pomona with a B.S. degree in Communications. He is a long time member of Rancho del Chino Rotary Club.
